Greetings from the President

I hope everyone is surviving this cold winter. I am writing this from Florida, where I expected to get away from the cold, but I do believe it has followed me. The temperature was 29 degrees this morning in Panama City, Florida. The anticipation of being with all of you again makes me have a warm feeling.

I'm not sure we can top the fall meeting as we had such a good time being together again. Someone mentioned there was "just not enough time for a long visit with everyone". So...that is what we are aiming for with our spring meeting. HERE IS THE DATE: April 30-May 1. Details about this spring meeting can be found in this newsletter so read it very carefully. Please add this date to your calendar, RIGHT NOW.

Thank you so much for taking the time to fill out the survey at the last meeting. We have used the results to plan this spring get-together.

On the day we arrive in Branson we are planning to see the 4:00 show on the Branson Belle. After the Showboat we will spend some time at The Landing in downtown Branson.

Our second day will be spent on the campus of the College of the Ozarks. We will have lunch at the Keeter Center (a beautiful log lodge), and end our day with Clyde Leonard leading us in an inspirational time at the historic chapel on the college campus.

Kim Quinn, Diane Reed and Dulce Stevens from the Missouri Baptist Foundation staff work very hard to help us plan these meetings, so please say a "thank you" to them when you see them.

Clyde Leonard, the president-elect, Walter Lockhart, our program chairman, and I are anticipating a great time with each of you.
